

Craig Plant receives the Dick Davis Diver of the Year Trophy from the Chairman Trevor Jones

Trevor was happy to present

Mark Davidson
with the **Trainee of
the Year Award**

Bob Igson accepts The Photographer of the Year Trophy (UK) from the Chairman

The annual General meeting was a quiet success.

Nearly all of the officers were reelected. Our Chairman, Trevor Jones, is to steer our ship for another year.

Good old Trev!

Our biggest problem for the future is where do we train now that the South Hunsley pool is to be demolished. Any ideas?

A happy group at the AGM

Ian Sibley -Calder was delighted to get the trophy for the Photographer of the Year

ANOTHER BURTON STORY

We were on Anglesy and we decided to dive near Molefe,

There was a little island and we opted to dive near it.

We dropped our anchor and dropped in.

What could we see? - ANCHORS.

All around were anchors

The spot was obviously a favourite fishing area and many boats had dropped their anchor and had got stuck and had cut away their anchor warp to get away..

So. We set about gathering anchors and attaching them to our own anchor.

After the dive we climbed into our boat and told the boat handler to pull up the anchor.

He sweated a bit when he pulled up about six anchors which eventually got distributed around our club.

Don
